

Fees

For up-to-date enrolment fees go to www.jewellers-online.org or call 020 7613 4445 (option 1).

Funding for JET 2 is also available:

Membership

If your company is an N.A.G. Member you are automatically entitled to a discount.

Direct Debit

Single payments spread over 6 months can be a more manageable way to fund the course.

Centenary Trust

The Centenary Trust offers awards of up to 50% of the fees to students who show themselves to be deserving of an award or an asset to the jewellery trade.

Career Development Loans

These are bank loans specifically designed to help students fund work related study. Students can borrow anything from £300 to £8,000.

For more information call 020 7613 4445 or go to www.jewellers-online.org.

Enrolment Dates:

As examinations take place in either May or October each year, students can only enrol for JET 2 between the following times:

January—March

or

August—October

For more information on JET 2 or any other JET course and an application form, contact the Education Department on 020 7613 4445 (option 1), email: jet@jewellers-online.org or go to www.jewellers-online.org

**I'VE PASSED
JET 1...**

What now?

**JET 2 and the
Professional Jewellers
Diploma**

Congratulations on reaching the qualifying standard for **JET 1**, but why stop there?

You are now eligible to enrol on the **JET 2** course, which means in just 12 months you could have the **Professional Jewellers Diploma**. This is a nationally **recognised qualification** and successful candidates will not only receive their diploma at a prestigious awards ceremony at Goldsmiths' Hall, London, but also be entitled to use the letters P. J. Dip* after their name.

** (Graduates must apply for Alumni status. Fee applies)*

'IT'S BOOSTED MY CONFIDENCE WITH CUSTOMERS'

N.A.G research has shown that employees with a diploma are more likely to make **sales**, more likely to ensure **repeat business** and more likely to get **increased responsibility**, which could also mean a **pay rise!**

So what can you expect from JET2?

The course is taken over **12 months** and Students must complete a programme of **8 assignments** and an **examination**.

'I'M MORE PASSIONATE ABOUT MY JOB'

This can be a little daunting, so to make things easier, you will have the **same tutor** as you did for JET 1, a **free tutorial** session at locations across the country to help prepare you for the exam and of course a comprehensive **JET 2 study pack**.

You can also join the N.A.G. JET Courses **Facebook group** for support and advice from other students, or follow the N.A.G. Education Department on **twitter**. We even have regular **student newsletters** packed full of tips and information.

JET 2 includes:

History of Jewellery & Modern Jewellery
Gemstones
Diamonds,
Gold, Silver, Platinum & Palladium
Watches
Hallmarks
Assay & Alloys,
Consumer Confidence
Service and Repairs
Valuations
